

AHSAN FAYYAZ

Lecturer | Livestock Management | DVM, M.Phil.

ahsanfayyaz@bzu.edu.pk • +92 334 7705883 • Multan, Pakistan

Date of Birth: 1 February 1986 • Nationality: Pakistani • Marital Status: Married

PROFESSIONAL PROFILE

I possess strong organizational and communication skills, with the ability to disseminate information and knowledge while listening and applying advice and instructions. I have broad teaching experience in animal sciences. I obtained my Master of Philosophy in Livestock Management and Bachelor's degree in Doctor of Veterinary Medicine (DVM). My Master's research, "Effect of Feeding Frequency and Fodder Particle Size on the Production Performance of Lactating Cows," improved livestock feed efficiency and enabled farmers to develop best farm management practices and scientific animal feeding programs that minimize economic losses. I am committed to applying my skills, passion, enthusiasm, and experience to solve field problems and improve the socio-economic status of livestock farmers in Pakistan and beyond.
